BHS Welcomes New Teachers

Brad Bowden

Brad Bowden teaches U.S. History and coaches boys athletics. He has resided in Brownwood for three months after deciding to take his first position in the Brownwood district. Bowden was inspired by his parents and high school coaches. He attended Howard Payne for four years to acquire his teaching degree. His hobbies include football, fishing, reading, and playing with his kids.

Tammy Seymore

Tammy Seymore teaches Spanish 1. She has lived in Brownwood her entire life, yet this is her first year teaching in the Brownwood district. She said that Brownwood just feels like home. Seymore decided to teach because she loves the atmosphere of school and the challenge of teaching young people something they didn't know. When asked how she felt about Brownwood High so far, she replied, "It's great; so far—so good!"

Natasha Gill

Natasha Gill teaches geography. Gill took a teaching position at Brownwood High School to help teach the youth of her hometown. She has resided in Brownwood for 26 years. She is involved in her church and mission work in North and South America. She enjoys gardening, reading, and spending time with her husband (Coach Gill) and three children. Gill said that she has had a very good start to this school year.

Donetta Shelton

Donetta Shelton is a new theater arts teacher here at Brownwood High. This is her first year teaching in the Brownwood district, even though she has lived here her whole life and graduated from Brownwood in 1976. She decided to take the position this past summer and has enjoyed it since. She enjoys playing with her dogs and quilting. Shelton said that she appreciates that her students are great participants and willing to try anything.

Mike Tumlinson

Mike Tumlinson lives in Early while teaching in Brownwood as a science teacher. Before his career at Brownwood, Tumlinson had a variety of careers as a teacher/coach, assistant principal, and principal at Early High School. He enjoys all sports, oil painting, drawing, and family time with his wife and two children. Tumlinson said that Brownwood has been enjoyable, although it has taken much adjusting after being an administrator and going into teaching once again.
